

Waste to Value

Opportunities, Challenges & UK Capabilities

The **British Embassy Vienna**, UK's **Department for International Trade** and the **Green Tech Cluster Styria** cordially invite you to our webinar "Waste to Value: Opportunities, Challenges & UK Capabilities" on **21st October 2020** from **14:00-15:00**.

The opportunity

The UK is experiencing a waste management capacity gap, which means the amount of waste created exceeds the treatment capacities.

Why is this interesting?

There are different opportunities arising for businesses in:

- Waste Management
- Waste Treatment
- Machinery
- Recycling Technology

Take this unique opportunity to gain detailed insights on the UK Waste Management Sector, learn about the market opportunities and how you can benefit from establishing yourself in the UK.

Programme

- **“Waste to Value”: Market Overview, Opportunities & UK Capabilities**
UK's Department for International Trade (DIT)
- **Case Study: The journey to the UK, Challenges & Lessons Learnt**
UNTHA Shredding Technologies
- **What comes after the Transition Period?**
UK's Department for International Trade (DIT)
- **Q&A Session**
